Christmas Program

On December 13, we held our annual Christmas program at Pathway. The program began with the Pre-K and Kindergarten classes reciting two poems and singing a song. The elementary and middle school grades performed a poem, a song, and a nativity scene directed by Amber Schwartz. After an all school song, Norma Miller directed the high school in three songs. For the third song, "Bright Star Shining," the alumni joined the high school. Overall it was a very successful program.

Thank You

The weather cooperated this year for the school board members and their wives to host the Chicken Supper, which served approx. 315 (including carry-outs) on Friday, Dec. 2. This is an annual event which is held the first Friday of December and steered by the Board instead of the Special Projects Committee.

The festive banquet setting was done by Chantelle Gingerich & Sara Swartzentruber, board member wives, using Christmas décor and candlelight. Guests enjoyed the delicious chicken grilled by Floyd Yutzy and Kenny Miller. Mashed potatoes, gravy, peas & carrots, homemade bread with apple butter,

and Jell-O cake or Roman apple cake with a dollop of cool whip was served. The total proceeds from the evening was \$5,742.32. Thank you to everyone who came to support us in this fundraiser! Have a Merry Christmas and a blessed 2017 year!

I am grateful for the education I received at Pathway. I believe it helped lay a strong foundation for my troubleshooting of computers and technology. The daily goals and individuality of working at my own speed has been helpful in many ways in the IT field. I also believe that the Biblical foundation of Pathway has been influential in getting jobs done thoroughly without sacrificing ethics. Many thanks to all who have served at Pathway over the years!

JH/JV Basketball

Playing basketball on both JH (junior high) and JV (junior varsity) is awesome. It is awesome that I can play for both teams, because I can get more time on the court. Having Kendal Kemp as our coach has been great! So far the season has been going well. I am having a good time playing and learning more about the sport.
